### **TRAVEL ADVANTAGE NETWORK NAMES DAVID LESKI NEW MANAGER OF TOTAL VACATION SERVICES**

MILLERSVILLE, MD, September 17, 2008—Travel Advantage Network (TAN), the nationwide leader in wholesale vacation accommodations, announced today that David Leski has been named the new manager for the company's Total Vacation Services (TVS) Department.

In his new role, Leski will be responsible for overseeing the department's daily operations and managing marketing and teambuilding activities. A large part of his new position involves equipping TVS representatives with the tools they need to maximize vacation bookings and provide stellar customer service to TAN's over 78,000 clients.

"We are very pleased to have David on board with TAN, and we're confident that he'll bring significant experience and enthusiasm to Total Vacation Services," says TAN President and CEO Brad Callahan.

Leski joins TAN with more than 20 years experience in the travel industry. He most recently worked for Northwest Airlines, first as a reservationist, then as supervisor. He was promoted to Operations Manager of the airline's Baltimore Reservations Office, where he supervised numerous employees and projects.

Leski has a B.A. from the University of Michigan, Dearborn and an M.B.A. in management from the University of St. Thomas in St. Paul, MN. He was also the recipient of Northwest Airlines' Leadership Award for the integral role he played in optimizing performance and employee morale in the airline's Baltimore office.
