**TAN President Chosen for Smart100 Honor**

MILLERSVILLE, Md. – Washington’s SmartCEO Magazine chose Travel Advantage Network President Brad Callahan as a 2009 Smart100 CEO. Callahan will accept the award in a ceremony Feb. 19 in Washington.

“It’s truly an honor to be recognized among such a distinguished collection of CEOs,” says Callahan. “This honor showcases the success of the culture we have created and the entire TAN staff’s dedication to excellence.”

Callahan joins an exclusive group of other CEOs selected for leadership, strategic vision and character. Along with membership in this peer-to-peer learning forum, Callahan will see his Q&A print in SmartCEO magazine in a special 13th issue later this year.

Callahan adds the honor to a growing list of personal and company accomplishments that include the 2005 Young President’s Organization International Network Officer Best of the Best Award, 2003 Better Business Bureau of Greater Maryland Torch Award, 2004 Maryland Chamber of Commerce Business Philanthropy Award and the 2008 and 2009 SmartCEO Magazine Future 50 awards.

As a group, the Smart100 employs more than 100,000 people, has revenues in excess of \$8 billion, has won almost 1,000 business awards and donates significant time, energy and money to local charities.
